Neil-

I've got a big question right now: Do you really think that you will get me on today, or would tomorrow morning work better? Just asking as I just received a call from Chicopee District Court saying that they are going to need me too. The ADA is starting to impanel now and isn't sure if she will get through opening arguments before or after lunch. So basically she told me that I will not be needed right at 2, but rather later in the day. I can try to shoot between the courthouses, but I need to know where to go first. You are Superior, so you do get the priority if this can't be worked out, but I'm trying to make everyone happy. Please let me know your thoughts on this as soon as you get the chance. Thanks.

Hi Sonja, it looks like we may be ordered to trial on [REDACTED] on Monday, and you're the lucky analyst!!!! Do you have any scheduling conflicts?

Thanks Sonja!
